Newsletter: June 2018

## From the President

**On behalf of Marilyn I would like to welcome the new Committee for the Woodend Beach Country Music Club.** I am sure we will endeavour to work hard for our Club. There will be a suggestion box up at the raffle table which we will discuss at committee meetings. Please feel free to put suggestions in it, with it signed, so we can discuss it further with you if needed.

**On Sunday the 29th of July 2018** the Cavaliers and our club are having their yearly music day at the Ashburton RSA

We would love to have some feed back on the ones that want to go by bus so we can start organising transport. Please let us know by the next club night.

**On a sadder note**, Marilyn's husband Robbie has been very sick so our get well wishes and our prayers go out to them.

Brian Pope from Motueka, who was a member when we had our Club down the beach has passed away. Our condolences go to Jean and their family. I can remember Brian and Peter Smith being the life of the party and our members were in stitches laughing so much.

Also Olive Jordan passed away. Olive was a member down at the beach as well and still is a member. Her failing health has stopped her from being at Club nights.

On a brighter note I am looking forward to working with our new committee and all the relaxed fun nights and great music we are all going to have in our lovely warm club rooms. I am sure summer has gone now so make sure you all keep nice and warm and keep well

Cheers Barb (Vice President)

## Club Nights

### Notes for Singers

- For smooth transition between singers, please be waiting at the front when your turn is announced.
- Tell the Rhythm Guitarist the title of song, the key you require, and if you want all or some of the band to play.
- Have your pieces in folders - at least 4 - for the band. The clearer the font the easier it is for the band to see the chords.
- Keep the intro to a minimum - this saves time.
- When time gets short, the MC will make an announcement regarding number of songs to be sung; this is so everyone gets a fair go.
- Unexpected guests - please allow the committee to offer unscheduled extended "spots" to guests; it is part of our welcoming gesture to them.
